

## **2020 Sponsorship Opportunities**

---

Sponsorships Open to current sponsors: August 7, 2019

All other sponsorships open August 20, 2019

# Welcome

The Texas Equine Veterinary Association serves as the personal resource to veterinarians in the Southern United States for continuing education, equine welfare and relationship building. We invite you to join with us as a sponsor to share in our quest for personalized excellence. Your generous financial support allows us to provide the highest quality educational programs for our regional veterinarians and their staff members, thereby greatly benefiting both practitioners and the horses in their care.

The 2020 (Annual) sponsorship opportunities have four levels from which to choose. These sponsorships cover the opportunities listed below. Payment is preferred in February of the year of sponsorship (2020). ***You will not be permitted to exhibit at the Symposium if payment has not been received in full by our office.*** Again this year, booth's will be assigned in a first-come-first-served basis.

We also have special several sponsorship opportunities, including an option to donate to the TEVA Equitarian Project, available and detailed in the back of this packet. Those who sponsored special events last year, such as the Foundation Gala, or the Welcome Reception, have the first opportunity to sponsor those again this year. Logo's of those companies with first right to an event are listed next to that event.

**FOUNDING EDUCATIONAL PARTNERS:** Again, we will have a FEP-BOD Meeting on August 7th. Location and details of the reception and meeting are TBA.

Founding Educational Partners remain members of the FEP Committee. FEP's will represent industry interests through the formation of a new committee (established late 2011) and the appointment of the committee chair to the TEVA Board of Directors (approved December 2011). The FEP Committee, complete with contact information is available on our website at [www.texasequineva.com](http://www.texasequineva.com). Please contact your FEP Representative, Jamie Wells, today if you have questions for the committee. Please feel free to contact us with any questions or to reserve your sponsorship today!
