When TEVA began in 2008, it was started by a group of practitioners that were passionate about bringing the highest quality, most relevant, and cutting edge Continuing Education to our area. Several of these were associate veterinarians; a few were mobile practitioners, and some were owners of some of the largest practices in the area and bring camaraderie among colleagues. They created a Platinum Practice Sponsorship opportunity as a way for practices of all kinds to continue to give back to their profession year after year. Each year this money is specifically used to help fund the speaker budget of TEVA’s annual CE Symposium, which in turn allows us to bring in the best, most highly sought after speakers from around the world. We would like to invite you to be a Platinum Practice this year, by simply returning the form attached with this letter.

As a group, we Platinum Practices, represent all facets of our industry. We hope to continue to grow to include even more practitioners…young and old. Everyone is invited to be a Platinum Practice. Our goal is for this group to represent the best of our Association. We try hard to honor this group for your contributions to TEVA, and our profession, by hosting a Platinum Practice event at each Symposium.

In years past we have had a business-type speaker and had a special breakfast or dinner specifically for you, the Practices Owner’s or your representative. Based on responses we had to our recent survey of the Platinum Practices, we have elected to have a Platinum Practice Breakfast on Friday August 12th as part of the Summer CE Symposium. This breakfast will be from 7-8am and feature a “The Two Best Things I Ever Did in Practice Were…” discussion, facilitated by Dr. Gary Hodges, Dr. Pete Vaden and other TEVA Board Members. In addition to inviting all of the Platinum Practice Owner’s, we would like to encourage you to bring along associates or younger practitioners that you might be mentoring. We would like to have each practice add something to the conversation, so be thinking of your “Two Best Things You Ever Did in Practice” so that you can participate.

Please sign up for the breakfast when you register for the Summer Symposium, and add on the names of any associates you will be bringing. The breakfast will be free of charge thanks to our sponsors MWI Veterinary Supply and Arthrodynamic Technologies.
